ABOUT US

our history

Since 1978, Granite Ridge has been providing amazing experiences as campers leave behind their usual routines and experience God through nature, fellowship, and food!

our work

We are a full service campground and rental facility available year round for your group, church or family to reserve for private retreats and events.

You provide the programming for your group, we provide everything else!

We accept ALL GROUPS and do not discriminate based on religion, race, color, gender, sexuality, or any other criteria.

our mission and vision

At Granite Ridge we long to join God in what he is already doing. We want to EMPOWER people in their walk with Jesus, EQUIP them to share their Christian faith, and ENCOURAGE everyone through a life changing camping experience.

LODGING

We have a wide range of unique sleeping options to accommodate your group and it's needs.

Whether you have a small group of 10 or a group with over 150+ participants, we are ready for you!

FOOD

At Granite Ridge, one thing that we know we can hang out hat on is our home-cooked food. With a kitchen motto like "camp-calories don't count", no one is going hungry here!

accomodating meals

Our chef has over 10 years of experience cooking at camp, and it shows!

We accommodate for dietary needs and preferences by deconstructing meals and obtaining allergy information beforehand to tailor a menu to a particular group when possible.

Every meal is labeled and will have multiple vegan options. As there may be multiple groups dining, we prepare a nutritional menu for all campers and their dietary needs using seasonal ingredients.

hospitality

Open 24/7, our Dining Hall is always available for a hot cup of tea, cold glass of water, or a midnight cereal snack. It also doubles as a gameroom / meeting space when reserved ahead of time by groups.
